

Fifteen minutes due west by launch from the shores of Baros lies one of many Maldivian 'thila' or, in English, Sandbank.

Our Sandbank is without any vegetation or structure, presenting a unique and exotic natural experience of the glorious Maldivian Archipelago.

Dining on our Sandbank is the ultimate in romantic seclusion.

We offer a range of private dining opportunities on the Sandbank. If you wish to create your own experience please discuss this with one of our team.

Breakfast, picnic, lunch or dinner; whatever you choose from sunrise to sunset and beyond, we are delighted to make it possible.

The following pages contain several options. Each one includes preparation and service by a dedicated personal cook and waiter. Included in the price are transfers by boat, the exclusive private use of our Sandbank for a specified time, non-alcoholic beverages...

...and the experience of a lifetime!

Wishing you the utmost perfection in Maldivian pleasure.

To make this dream dining experience come true, please contact your Villa Host or the In-Villa Dining Reservations Desk, extension 8.
